"Morning Buzz"

Started my day in the morning
Looking outside at the sun
Open my bedroom window
But I can't see anyone
Honey go down on the highway
Honey slow down to a crawl
Me I'm just here in the meanwhile
I ain't doing much at all

Something's wrong between us
It's been that way for a while
But I'm still yours and you're still my
Favorite way of wasting time and

Aye, aye, I get a little buzz and
Aye, aye, I get a little high
Aye, aye, I take a little trip and
Aye, aye, I gotta get a grip, I
Gotta get a grip, I
Gotta get a grip, I
Gotta get a grip, aye

Not enough hours in the morning
To do all the things need done
Thought about finding a new job
I'll find one later on
Some folks live in the Will Be
Or talk about Things That Was
Me I just live in the meanwhile
And feel my morning buzz

Something's wrong between us
I guess it's just the way it goes
But I'm still yours and you're still my
Breakfast lunch and supertime and

Aye, aye, I get a little buzz and
Aye, aye, I get a little high
Aye, aye, I take a little trip and
Aye, aye, I gotta get a grip, I
Gotta get a grip, I
Gotta get a grip, I

Gotta get a grip, aye

You can join me in the meanwhile
And feel my morning buzz
