Hush
little baby
don't cry like that

God's gonna buy you a cadillac.
He's chosen you do do his will

you can spread the word in your coupe de ville.

So jump in the river and learn to swim

God's gonna wash away all yovr sins.
And if you still can't see the light

God's gonna buy you a satellite.
Look to the heavens and see it shine

heals the sick and leads the blind

Tune it in and hear it say

it's counting down to judgement day.

So jump in the river and learn to swim

God's gonna wash away all your sins. . .
Hey satellite man
your time has come

your word received by everyone.
And should you fall
well
that's okay

you love the ones that you betray.

So jump in the river and learn to swim

God's gonna wash away all your sins.
And when at last you see the light

God's gonna by you a satellite.

So iumF in the river and learn to swim

God's gonna wash away all your sins. . .
And when at last you see the light

God's gonna buy you a satel[ite.
God's gonna buy you a satellite!
Look to the heavens and see it shine.
