Nobody on the road
Nobody on the beach
I feel it in the air
Summer's out of reach

Empty lake, empty streets
The sun goes down alone
I'm driving by our house
Though I know you're not home

But I can see you
Your brown skin shining in the sun
You got your hair combed back now
Sunglasses on baby
I can tell you my love for you will still be strong
After the boys of summer have gone

I never will forget those nights
I wonder if it was a dream
Remember how you made me crazy
Remember how I made you scream

Now I don't understand
What happened to our love
But babe, I'm gonna get you back
I'm gonna show you what I'm made of

I can see you
Your brown skin shining in the sun

I see ya walkin' real slow
Smiling at everyone
I can tell you my love for you will still be strong
After the boys of summer have gone

Out on the road today
I saw a dead head sticker on a Cadillac
A little voice inside my head said
Don't look back, you should never look back

I thought I knew what love was
What did I know?

Those days are gone forever
I should just let 'em go but

I can see you
Your brown skin shining in the sun
You got the top pulled down
Radio on baby
I can tell you my love for you will still be strong
After the boys of summer have gone

I can see you
Your brown skin shining in the sun
You got your hair slicked back and it's
Wavy and long baby
I can tell you my love for you will still be strong
After the boys of summer have gone
