It's almost like  
We came back wet  
Back from the dead  
And I'm thinkin' of you

We traveled long  
We traveled hard  
To long to bear  
Hard just to come through

And when I stop  
I see you there  
You make me feel  
What more must I do?

My revolution is reignin' peace  
(And there is nothin' that I can't be)  
Is there a reason we should seek

Please let me see  
That I can bleed  
And I can answer  
To all that is true

I stumbled long  
And I fell hard  
We loved so strong  
For all that we knew

Please hear me now  
And hold your anger somehow  
But why must it be me?

My revolution is reignin' peace  
(And there is nothing that I can't be with you now)  
Is there a reason we should seek  
(When the end is all I see, all I see)

And when I wake  
I sing your song  
Somewhere you stir  
'Cause your wantin' me too

Don't listen to  
The others' answers  
'Cause our love is not new

My revolution is reignin' peace  
(And there is nothing, nothing that I can't be)  
Is there a reason we should seek  
(Ohh, ohh)  
(When the end is all I can see)

My revolution is reignin' peace  
(And there is nothin', nothin' that I can't be)  
Is there a reason we should seek  
(Ohh, ohh)  
(When the end is all there can be)
