I'm trying to tell you something about my life maybe
give me insight between black and white and the best
thing you've ever done for me is to help me take my
life less seriously it's only life after all yeah well
darkness has a hunger that's insatiable and lightness
has a call that's hard to hear I wrap my fear around me
like a blanket I sailed my ship of safety till I sank it I'm
crawling on your shores I went to the doctor, I went to
the mountains I looked to the children, I drank from the
fountains there's more than one answer to these
questions pointing me in a crooked line and the less I
seek my source for some definitive (the less I seek my
source) the closer I am to fine the closer I am to fine
and I went to see the doctor of philosophy with a poster
of rasputin and a beard down to his knee he never did
marry or see a b-grade movie he graded my
performance, he said he could see through me I spent
four years prostrate to the higher mind got my paper
and I was free I went to the doctor, I went to the
mountains I looked to the children, I drank from the
fountains there's more than one answer to these
questions pointing me in a crooked line the less I seek
my source for some definitive (the less I seek my
source) the closer I am to fine the closer I am to fine I
stopped by the bar at 3 a.m. to seek solace in a bottle
or possibly a friend and I woke up with a headache like
my head against a board twice as cloudy as I'd been
the night before and I went in seeking clarity. I went to
the doctor, I went to the mountains I looked to the
children, I drank from the fountains yeah we go to the
doctor, we go to the mountains we look to the children,
we drink from the fountains yeah we go to the bible, we
go through the workout we read up on revival and we
stand up for the lookout there's more than one answer
to these questions pointing me in a crooked line the
less I seek my source for some definitive (the less I
seek my source) the closer I am to fine the closer I am
to fine the closer I am to fine
