Well we blew past the army motorcade
And its abnormal load haulage
The gravity of the situation
Came on us like a bit of new knowledge

Well the bubbliest of bubble baths
Broke down on the bank
The gravity of the situation
Is why our old thought bubbles sank

Humble and gracious
The gravity of the situation
Humble and gracious
The gravity of the situation

Humble and gracious
The gravity of the situation
Humble and gracious
The gravity of the situation
The gravity of the situation

Well, a fat hungry English crow
Was picking at a carcass
The gravity of the situation
Is hard to focus and harness

Well, we met Bill Lowery
At the Queen's Hall
The gravity of the situation
Became apparent to us all

Humble and gracious
The gravity of the situation
Humble and gracious
The gravity of the situation

Humble and gracious
The gravity of the situation
Humble and gracious
The gravity of the situation

Humble and gracious

The gravity of the situation
Humble and gracious
The gravity of the situation

Humble and gracious
The gravity of the situation
Humble and gracious
The gravity of the situation
The gravity of the situation
