Wanna tell you 'bout this girl I love  
Oh my, she looks so fine  
An? she's the only one that I've been dreamin' of  
Maybe someday she will be all mine  
I wanna tell her that I love her so  
I thrill her with every touch  
I need to tell her she's the only one I really love

I got a woman, wanna ball all day  
I got a woman, she won't be true  
I got a woman, stay drunk all the time  
I said I got a woman and she won't be true

On Sunday mornin' when we go down to church  
See the menfolk standin' in line  
Don't say they come to pray to the Lord  
But when my little girl looks so fine  
An' in the evenin' when the sun is sinkin' low  
Everybody's with the one they love  
I walk the town, keep-a searchin' all around  
Lookin' for my street corner girl

I got a woman, wanna ball all day  
I got a woman, that she won't be true no, no  
I got a woman, stay drunk all the time  
I said, I got a little woman and she won't be true

An' in the bars with the men who play guitars  
Singin', drinkin' and rememberin' the time  
My little lover does a midnight shift  
She fool around all the time  
I guess there's just one thing then left for me to do  
Gonna pack my bags an' move on my way  
'Cause I got a worried mind sharin' what I thought was  
mine  
Gonna leave her where the guitars play

I got a woman, stay drunk all the time  
Yeah, I got a woman, she won't be true no, no  
I got a woman, wanna ball all day  
I got a little woman and she won't be true

Hey, hey what can I do?  
I got a woman, stay drunk all the time  
Hey, hey what can I say?  
Said, I got a little woman, she won't be true no, no

Hey, hey what can I do?  
I got a woman, like ball all the day  
Hey, hey what can I say?  
I got a woman, stay drunk all the time  
All the time, all the time

Hey, hey what can I do?  
(Yeah)  
Hey, hey what can I say?  
(Hey, hey what can I say?)  
Hey, hey what can I do?  
(Say, I got a little woman, she won't be true no, no)  
Hey, hey what can I say?  
(I got a woman, stay drunk all the time)  
Hey, hey what can I do?  
Hey, hey what can I do?  
Hey, hey what can I say?  
I got a woman, like to ball all the day
