"Hold My Hand"

With a little love and some tenderness
We'll walk upon the water
We'll rise above the mess

With a little peace and some harmony
We'll take the world together
We'll take them by the hand

'Cause I've got a hand for you, oh
'Cause I wanna run with you

Yesterday, I saw you standing there
Your head was down, your eyes were red
No comb had touched your hair

I said, "Get up, and let me see you smile
We'll take a walk together
Walk the road awhile" 'Cause

'Cause I've got a hand for you
I've got a hand for you
'Cause I wanna run with you
Won't you let me run with you? Yeah

Hold my hand
Want you to hold my hand
Hold my hand
I'll take you to a place where you can be
Hold my hand
Anything you wanna be because
I wanna love you the best that
The best that I can

See I was wasted, and I was wasting time
'Til I thought about your problems
I thought about your crimes

Then I stood up, and then I screamed aloud
"I don't wanna be part of your problems
Don't wanna be part of your crowd, no"

'Cause I've got a hand for you

I've got a hand for you
'Cause I wanna run with you
Won't you let me run with you?

Hold my hand
Want you to hold my hand
Hold my hand
I'll take you to the promised land
Hold my hand
Maybe we can't change the world but
I wanna love you the best that
The best that I can, yeah

[Incomprehensible]
Hold my hand
Want you to hold my hand
Hold my hand
I'll take you to a place where you can be
Hold my hand
Anything you wanna be because

I oh no, no, no, no, no
Hold my hand
Want you to hold my hand
Hold my hand
I'll take you to the promised land
Hold my hand
Maybe we can't change the world but
I wanna love you the best that
The best that I can
Oh, best that I can
