Ba da da da da da da
I can't find the time to tell you
Ba da da da da da da
I can't find the time to tell you

So many things to say I could
fit 'em in a book, fit 'em in a book of a thousand pages,
yeah
So many people say that I
couldn't tell a lie, couldn't tell a lie in a thousand ages

Baby you're wrong
Baby you're wrong

Ba da da da da da da
I can't find the time to tell you
Ba da da da da da da
I can't find the time to tell you

I look at your pretty face and I
fall in love with you, fall in love with you every time I
see you there

Nightgowns of regal lace that are
flowin' to the ground, flowin' to the ground in a mist
around you

Baby you're wrong
Baby you're wrong
Baby you're wrong
Baby you're wrong

Ba da da da da da da
I can't find the time to tell you

Ba da da da da da da
I can't find the time to tell you
Ba da da da da da da
I can't find the time to tell you
find the time to tell you
find the time to tell you
Ba da da da da da da
I can't find the time to tell you
