Every time I look at you, I go blind  
Every time I look at you, I go blind  
Every time I look at you, I go blind  
Every time I look at you, I go blind

In the mornin' I get up  
And I try to feel alive, but I can't  
Every time I look at you, I go blind  
I don't know what it is  
Something in me just won't give me a chance

I think it's that I feel more confused  
By the deal love has shown me

Little child, did you know that there's a light  
And it's gonna shine right through your eyes  
What do you think that life is like?  
Every time I look at you, I go blind, I go blind

Well, somewhere over there, there's a purpose  
There's a care for free  
In me there's nobody, no one plan  
No one stand to be free

I think it's that because I have seen all the fuss  
And it's no big deal, no big deal

Hold me, hold me  
'Cause I want to get higher and higher  
(Every time I look at you, I go blind)  
Higher than

Hold me, hold me  
'Cause I want to get higher and higher  
(Every time I look at you, I go blind)  
Higher than

Hold me, hold me  
'Cause I want to get higher and higher  
(Every time I look at you, I go blind)  
Higher than

Hold me, hold me  
'Cause I want to get higher and higher  
(Every time I look at you, I go blind)  
Higher than life
