I don't know what it is  
That makes me love you so  
I only know  
I never want to let you go  
'Cos you started something  
Can't you see  
That ever since we've met  
You've had a hold on me  
It happens to be true  
I only wanna be with you

It doesn't matter  
Where you go  
Or what you do  
I'd love to spend  
Each moment of the day  
With you  
Look what has happened  
Just one kiss  
I never knew  
That I that I could be in  
Love like this  
It's crazy but it's true  
I only wanna be with you

You stopped  
You smiled at me  
And asked  
If I'd care to dance  
I fell  
Into your open arms  
I didn't stand a chance  
Now listen honey  
I just wanna be  
Beside you everywhere  
As long  
As we're together  
Honey  
I don't care  
'Cos you started something  
Now can't you see

That ever since we've met  
You've had a hold on me  
No matter what you do  
I only wanna be with you
