Savory(?) or savor me if you tell me you don't want to
go now pack up all those troubles and doubts and then
I'll try not to tell you a soul(?) (chorus) if you're going
my way I'll be there for you don't be afraid to say
goodbye so forget all your problems and troubles you
leave behind if you're going my way when we get there
we'll look back at on all the things it took to get where
we are we'll laugh then we'll cry and we'll try not to
wonder why (chorus) don't look back I'll be there just
keep going back don't you even fear don't you fear,
yeah. (chorus)
