It's been such a long time
Since I haven't seen your face
There's a tear on your cheek
Where your smile used to be 'cause I'm going away

We had such a good time
Though we knew this day might come
So when you hold me tonight, squeeze a little tighter
'Cause in the morning, I'll be gone
And I tell you, baby, now, I might be long

But, I'll come runnin'
I'll come runnin' home
I'll come runnin' home to you

I'll come runnin'
I'll come runnin' home
I'll come runnin' home to you, you

It's already 5 a.m.
We haven't got much sleep just yet
Sun is rising
I wish I could make time stand still

I look in your eyes, now, love and I don't know what to
say
The words, the words aren't coming from me + 2.08
I guess I find this just so hard to say you're fine +
And if you say you'll wait me for me now, I know you'll
try

But, I'll come runnin'
I'll come runnin' home
I'll come runnin' home to you, you

I will come runnin' home
I'll never leave you alone, girl
I'll always come runnin' home to you, you, you

I, I will, I will, I will
I will come home and
I'll always come home right to you

No matter what I did, no matter what I do
I'll always, I'll always come runnin' home
I'll always come runnin' home to you

I'll come runnin', I'll come
I'll come runnin', I'll come
