Down around the corner, half a mile from here See  
them groceries running, and you watch them  
disappear Without love, where would you be now ((  
Without love-ove-ove-ove )) You know I saw Miss Lucy  
down along the tracks She lost her home and her  
family and she won't be coming back Without love,  
where would you be right now (( Without love-ove-ove-  
ove )) Well the healing's always central In a southern  
central freight You got to keep on pushing mama I  
know they're running late Without love, where would  
you be now na na now (( Without love-ove-ove-ove ))  
Well the healing's always central In a southern central  
freight You got to keep on pushing mama You know  
they're running late Without love, where would you be  
now (( Without love-ove-ove-ove )) Well distance keep  
on turning and the wheels go round and round and the  
steel reels are cooling hard and the mountain ain't  
going down Without love, where would you be right  
now (( Without love-ove-ove--ooh...)) Where would you  
be now Mmm..ooh you got to get the baby thing I want  
to move it down I want to move it down Baby baby baby  
babe oh won't you move it down There's a big train  
running With the train I'm moving on I got to keep on  
moving, keep on moving I got to keep on moving, I'm  
going to keep on moving
