If you're down and confused And you don't remember
who you're talkin' to Concentration slip away Cause
your baby is so far away. Well, there's a rose in a fisted
glove And the eagle flies with the dove And if you can't
be with the one you love Love the one you're with Love
the one you're with Don't be angry, don't be sad, Don't
sit cryin' over good things you've had, There's a girl
right next to you And she's just waiting for something
you do. Well, there's a rose in a fisted glove And the
eagle flies with the dove And if you can't be with the
one you love Love the one you're with Love the one
you're with Turn your heartache right into joy She's a
girl, you're a boy, Get it together make it nice Ain't
gonna need anymore advice. Well, there's a rose in a
fisted glove And the eagle flies with the dove And if
you can't be with the one you love Love the one you're
with Love the one you're with
