I remember all my life Raining down as cold as ice A
shadow of a man A face through a window Crying in
the night The night goes into Morning, just another day
Happy people pass my way Looking in their eyes I see a
memory I never realized How happy you made me, oh
Mandy Well you came and you gave without taking And
I sent you away, oh Mandy And you kissed me and
stopped me from shaking And I need you today, oh
Mandy I'm standing on the edge of time Walked away
when love was mine Caught up in a world of uphill
climbing The tears are in my eyes And nothing is
rhyming, oh Mandy Well you came and you gave
without taking And I sent you away, oh Mandy And you
kissed me and stopped me from shaking And I need
you today, oh Mandy Yesterday's a dream Now I face
the morning Crying on the breeze The pain is calling,
oh Mandy Well you came and you gave without taking
And I sent you away, oh Mandy And you kissed me and
stopped me from shaking And I need you today, oh
Mandy Well you came and you gave without taking And
I sent you away, oh Mandy And you kissed me and
stopped me from shaking And I need you today, oh
Mandy
