Are you alone
Renaissance eyes
I won't tell my family stolen from you
Renaissance eyes

Is that your car
Renaissance eyes, yeah
Have you ever taken dancing lessons
Renaissance eyes

Drench you in a passion
And dress you with a passion
Though the vision haunts you
I'm the one who wants you
To love me with those eyes, eyes
Love me with those eyes

Oh, is that your car
Renaissance eyes
I once had a car but it was stolen
Renaissance eyes

Tell me your name
Renaissance eyes
Do you ever think about the future
Renaissance eyes

Drench you in a passion
And dress you with a passion
Though the vision haunts you, you
I'm the one who wants you
To love me with those eyes, eyes
Love me with those eyes, eyes
Love me with those eyes

Oh, spend my days
With her copies I've collected
All my nights, all my nights
With a sliver screen

Nothing wrong with the way
That I respect her

She's more than a
More than an ordinary queen

Drench you in a passion
And dress you with a passion, yeah
Though the vision haunts you
I'm the one who wants you
To love me with those eyes, eyes
Love me with those eyes, eyes, eyes, eyes

When the days are short and the nights are long
And I wait for tomorrow to
Love me with those eyes, eyes, eyes
Love me with those eyes, eyes, eyes
Love me with those eyes, eyes
Love me with those eyes
