Don't look a gift horse in the mouth
Come on try and tell me what you're talkin' about
Those things you're dealing with, you're living a lie
Every time I see you it makes me wanna cry

Sometimes we laughed and talked, seems like
yesterday
Then you let the white horse come and take you away
They came to get you, it was cold and black
The wheels were in motion, there was no turning back

Runnin' from an angel, runnin' to the devil, devil, yeah
Runnin' from an angel, runnin' to the devil

I gave up on you a long time ago
But there's something I want you to know
Your lyin' and cheatin' really tore us apart
Please don't come home if you're gonna break my
momma's heart

Runnin' from an angel, runnin' to the devil, devil, yeah
Runnin' from an angel, runnin' to the devil
Runnin', runnin', runnin', yeah
Don't make me cry again, no, no, oh

Love that stayin' by
Love that you make me cry
You're runnin', you're runnin'
You're runnin', runnin, runnin', runnin'
Oh no, oh no, no, no, no, no, no

Runnin' from an angel
Runnin' to the devil, devil, devil, devil
Runnin' from an angel

Time is singing by, time you made me cry, oh, oh
You'll do what you gotta do, I still love you
Runnin', runnin'
