All your life you've waited, for love to come and stay  
now that I have found you, it must not slip away  
I know it's hard believing the words you've heard  
before  
Darling you must trust them please, trust them just  
once more

Cause baby goodbye doesn't mean forever  
let me tell ya goodbye doesn't mean we'll never be  
together again  
if you wake up and I'm not there, I wont be long away,  
because the things you do my goodbye girl, will bring  
me back to you

I know you've been taken, afraid to hurt again  
you fight the love you feel for me, instead of giving in  
I can't wait forever ohh, helping you to see  
that I was meant for you my love, and you were meant  
for me

Remember goodbye doesn't mean forever  
let me tell ya goodbye doesn't mean we'll never be  
together again  
though we may be so far apart, you still have my heart  
so forget your past my goodbye girl, now you're home  
at last (x2)

Goodbye doesn't mean forever
