Time why you punish me?  
Like a wave bashing into the shore  
You wash away my dreams

Time why you walk away?  
Like a friend with somewhere to go  
You left me crying

Can you teach me 'bout tomorrow?  
And all the pain and sorrow running free?  
'Cause tomorrow's just another day  
And I don't believe in time

Time I don't understand  
Children killing in the street  
Dying for the color of red

Time hey, there red and blue  
Wash them in the ocean, make them clean  
Maybe their mother won't cry tonight

Can you teach me about tomorrow  
And all the pain and sorrow running free?  
But tomorrow's just another day  
And I don't believe in

Time is wasting time is walking  
You ain't no friend of mine, I don't know where I'm goin'  
I think I'm out of my mind, thinking about time  
And if I die tomorrow, just lay me down in sleep

Time is wasting time is walking  
You ain't no friend of mine  
I don't know where I'm goin'  
I think I'm out of my mind, thinking about time

Time you left me standing there  
Like a tree growing all alone  
The wind just stripped me bare, stripped me bare

Time the past has come and gone  
The future's far away

And now only lasts for one second, one second

Can you teach me 'bout tomorrow  
And all the pain and sorrow, running free?  
'Cause tomorrow's just another day  
And I don't believe in time

You ain't no friend of mine  
I don't know where I'm goin'  
I think I'm out of my mind

Walking, wasting  
You ain't no friend of mine  
And I don't know where I'm goin'  
No don't know

[Incomprehensible] is just  
Wasting, wasting, wasting time

Time why you punish me?
