"Use Me"

My friends feel it's their appointed duty
They keep trying to tell me
All you really wanna do is use me
Yeah, but my answer, girl all that use me stuff

I said, "I wanna spread the news
That if it feels this good getting used
You just keep on using me
Until you use me up"

My brother, yeah, my brother
He sat me right down
And he talked to me, yeah talk to me
He tried to tell me, tried to tell me, tell me

That I ought not to let you just walk on me
Not gonna let me walk on me
And I'm sure he meant well
Girl, but when our talk was through

I said, "Brother if you only knew you'd wish
That you were in my shoes
You just keep on using me
Until you use me up
Until you use me up"

Yeah sometimes, you know you really, really
Do abuse me, you abuse me
You give me in a crowd of high class people
Yeah then you act real rude to me, act real rude to me

Yeah but I said, "Baby, baby, baby, baby
When you love me I can't get enough
I can't get enough"

I said, "I wanna spread the news
That if it feels this good getting used
You just keep on using me
Until you use me up"

Yeah my brother, well my brother
Sat me right down and he talked to me, now talk to me

yeah
He tried to tell me, tried tell me, tell me
That I ought not to let you just walk on me
Not gonna let you walk on me

Yeah but I said, "Baby, baby, baby, baby
When you love me I can't get enough
I can't get enough"

I said, "I wanna spread the news
That if it feels this good getting used
You just keep on using me
Until you use me up
Until you use me up"
