Eyes like an infant  
Staring me down  
She'll take anything that's tied up  
In my glorious past

It's just 4 days 'til Sunday  
When I say that I'm gone  
Little one screams you cry  
Tell the pain to leave me alone

It's just 2 days 'til Monday  
Another week 'til the 4th  
Is anyone listening or  
Should I call on the Lord

Sometimes I breathe  
Sometimes I see  
Then I dream a dream that won't come true  
And I struggle with lies when I'm lonely

Someone called my name out loud about 4 a.m.  
It wasn't you so I let her in  
Just to see what she wanted  
She left screaming because I called her by your name  
But the next day she came to call  
And we finished our game  
Alright now  
Some days I breathe  
Some days I see  
Then I dream a dream that won't come true  
And I struggle with time when I'm lonely

Shep plays piano down in  
Shandon on the other side of Rosewood  
You said he wasn't your type  
But you went anyway  
You left screamin' cause you thought you would  
Call him by my name  
Ah and you whisper  
Why do I do this  
I can't go through this why do I do this, why

Sometimes I breathe  
Sometimes I see  
Then I dream a dream that won't come true  
And I struggle with life when I'm lonely
