Prophet 60091,
This is the flag number
Of our galactic son.
Prophet 60091,
We've always thought
That you should know that
You're not the only one
Who can hurt me.

Passage 10151,
This is the same number
Of our orbital gun.
Passage 10151
You better be sure
Before you leave me
For another one.
You can hurt me.

I can hurt you..
You can hurt me.

You can hurt me.
I can hurt you.
But you better be sure
Before you leave me
For another one.
I can hurt you.
You can hurt me.
But you better be sure
Before you leave me
For another one.
