She lives in a house  
That reflects her state of mind, mind  
Organized chaos  
In this labyrinth she hides, hides

She got locked up years ago  
All these voices whisper  
All these voices whisper  
Whisper and whisper  
And day after day

Marinated in wine and tobacco  
All these voices whisper  
All these voices whisper  
Whisper and whisper  
And day after day, after day

Pink fluffy dinosaurs  
Are almost back in town, town  
Pulling all the strings  
That will finally bring her down, down

She got locked up years ago  
All these voices whisper  
All these voices whisper  
Whisper and whisper  
And day after day

Marinated in wine and tobacco  
All these voices whisper  
All these voices whisper  
Whisper and whisper  
And day after day, after day  
After day, after day
