feel the vibe

feel the terror

feel the pain

its driving me insane

for god's sake why am I driving in the wrong lane.

trouble is my middle name but in the end I'm not too bad.

can someone tell me if it's wrong to be so mad about u

mad about u

are u the fishy wine that will give me a headache in the morning?

or just a dark blue land mine that'll explode without a decend warning

Give me all your true hate and I'll translate it in our bed

into never seen passion,never seen passion

that why I am so mad about u-mad about u

trouble is your middle name but in the end u're not too bad

can someone tell me if it's wrong to be so mad about u?-mad about u
