Inhale the joy, Inhale the fun  
Now it's time for me to get on top  
Of the world

Inhale the music and the warmth  
The crowd is ready to bring me to the top  
Of the world

'Cause the world is mine  
I won't stop this time  
'Cause the world is mine  
And I'm feelin' so divine

I'm part of this illusive show  
Time for me to get on stage  
Lights fade

Tomorrow you'll be at my feet  
Saturated senses set me free  
It's all I need

'Cause the world is mine  
I won't stop this time  
'Cause the world is mine  
And I'm feelin' so divine

The world, the world is mine  
I won't stop this time  
The world, the world is mine  
I won't stop this time

'Cause the world is mine  
I won't stop this time  
'Cause the world is mine  
And I'm feelin' so divine

'Cause the world is mine  
I won't stop this time  
'Cause the world is mine  
And I'm feelin' so divine

'Cause the world is mine

I won't stop this time  
'Cause the world is mine  
And I'm feelin' so divine

'Cause the world is mine  
I won't stop this time  
'Cause the world is mine  
And I'm feelin' so divine
