It all comes down to winning but defeat is no shame
and why do you loose interest when there's nothing
more to gain
because evil attracts but our love will be a fact
tomorrow
tomorrow

Because time is up
and so are we
but still there's a chance to avoid defeat
tomorrow
tomorrow
tomorrow
tomorrow

Just a little more effort do try to succeed
there's nothing in life that's impossible to beat
because evil attracts but our love will be a fact
tomorrow
tomorrow

Because time is up
and so are we
but still there's a chance to avoid defeat
tomorrow
tomorrow
tomorrow
tomorrow

Because time is up
and so are we
but still there's a chance to avoid defeat
tomorrow
tomorrow
tomorrow
tomorrow
