Inside a girl I want love
I want us to grow
You're just a man but you're so far
But so close to love
I never thought wed be so hmm
Words do no good
If you take the lead I'll follow
I'll follow you home

I must be seeing angels, baby
And oh it feels like summer
I said I'm falling for this moment
And I know you're gonna catch me, baby

Rock-a-bye baby
So slow baby, be still tonight
Is this for me but its too soon
Too soon to know
What do I know about this life inside it grows
Baby I pray to protect you defend you with love

I must be seeing angels, baby
And oh it feels like summer
I said I'm falling for this moment
And I know you're gonna catch me, baby

I want love, baby I want love
I want us to grow
I'm falling and I know, I know you're gonna catch me
baby

Like a flower on a sunny day you and I can grow
Like the birds from tree to tree you and I will be
together
Like a snowflake on a wintery day you and I will be

I must be seeing angels, baby
And oh it feels like summer
I said I'm falling for this moment
And I know you're gonna catch me, baby

I must be seeing angels, baby

And oh it feels like summer
I said I'm falling for this moment
And I know you're gonna catch me, baby
