Verse 1:

pacify me
dont deny me
please console me
feeling lonely
can you hold me through my heartbeat

taste your kisses
oh i miss it
now im slippin
are you listenin
tell me baby

Bridge:

i dont like feelin this way
dont know how much i can take
take back to love that we made
take back the pain that you gave
love aint supposed to be so insane
why do you taste so sweet, i cant restrain

Chorus:

i dont know if i can take the pain
i dont know if im the one to blame
i dont know why these feelings came
all i know is this love things insane
i dont know if i can take the pain
i dont know if im the one to blame
i dont know why youre feelings changed
all i know is this love things insane

Verse 2:

cant stay focused
do you notice
im in love with you
i feel so open
losing something
and i know its you
my soul aches
my heart breaks
please dont take the joy away
take it away

Bridge

Chorus

Verse 3:

say you want me
say you want me
say you want me
say you want me
say you want me

say you want me
say you want me
say you want me
say you want me
say

say you want me
say you want me
say you want me
say you want me
say you want me

say you want me
say you want me

love aint supposed to be so insane
why do you taste so sweet, i cant restrain (x2)

Chorus
