Its so hard being a girl sometimes  
Always got a million things on my mind  
I wanna run away  
But don't wanna be alone  
Come with me  
I'll give you a reason to smile  
I don't care  
Can't hold it back anymore  
Lets just loose control  
I wanna feel it

(chorus)

Its the rythm of life flowing into my veins  
Howl in my heart takes me away  
I feel so lucky now  
I'm free to be myself  
I know I gotta let go, let go, let go  
I gotta keep goin' keep goin' keep goin'  
This is my life  
I know I'll get it right  
I know I'll be alright

I'm on fire  
Can't hold it back anymore  
So alive, I've never been here before  
There's nothing else that makes me feel beautiful

(chorus)

Its the rythm of life flowing into my veins  
Howl in my heart takes me away  
I feel so lucky now  
I'm free to be myself  
I know I gotta Let go, let go, let go  
I gotta keep goin' keep goin' keep goin'  
This is my life  
I know I'll get it right  
I know I'll be alright

Waited for this moment all my life  
Its my life  
Let go, let go, let go  
I gotta keep goin' keep goin' keep goin'  
This is my life

I know I'll get it right  
I know I'll be alright (x3)

Its so hard being a girl sometimes  
Always got a million things on my mind  
I wanna run away  
But don't wanna be alone
