Today was the best day of my life
I found a road back to my remind me of you
The world keeps turning over,
Wish I could have you closer,
Of every moment lived so far,

This is my greatest memory,
You by my side,
I can picture you here with me, and if I tried,
this cant be a crime, at least I can hold you in my mind.

Looking out my hotel window, I see cars racing by,
everybody's going somewhere, wish you'd appear
tonight
someone sent me an angel, I saw him in the light
twelve days lost to dreaming, before you came to light
this is my greatest memory, you by my side,
I can picture you here with me, and if I tried,
this cant be a crime, at least I can hold you in my mind.

the world keeps turning over,
wish I could have you closer, of every moment lived so
far,
this is my greatest memory, now your standing here
with me,
this is my greatest memory, you by my side,
this cant be a crime, these are the best days of my life.

Mmmm...
Mmmm...
