I shoulda
I shoulda stayed
but I walked away slowly
Shoulda cried
but I kept a straight face
You were there guess I didn't notice
Say you'll leave a light on for me

Chorus:

Wish I let you hold me every time I fell asleep
Wish I woulda waited long enough for you to see
I could be loved
I could be sure
I could be what you're looking for
Wish I woulda said yes
You can always count on me

Shoulda stopped
I shoulda listened
I coulda fought
but I was afraid
Of being wrong
Of getting heart broken
Say you'll leave a light on for me

Chorus

Wish I woulda said yes (7 times)
