There's a word of kindness from you I've never heard it  
Nobody else with me, it's been around this lousy day  
until it's perfect  
Just you wait and see

Chorus:

Wow, wow, I'm gonna break through  
I'm gonna have some fun  
That's what I'm gonna do  
Wow, wow, with or without you  
I'm gonna have some fun  
That's what I'm gonna do  
La la la la la, la la la la la  
Don't follow me  
I'm too busy having fun  
La la la la la, la la la la la  
Don't follow me  
I'm too busy

If there's a key to the state of joy I'm gonna find it  
No one can keep me out of the sun  
And when the winds are to come I'll never mind it  
There was never a doubt  
Cause I have the power to change my life from day I  
die  
In an hour, by an hour I'll be fine  
I'll be alright

Chorus

Cause I have the power to change my life from day I  
die  
In an hour, by an hour I'll be fine  
I'll be alright

Chorus
