

## Hope 7 "End Of The Line"

Visit "[End Of The Line](#)" on [MotoLyrics.com](https://MotoLyrics.com)

Will we be friends when we grow old?  
Or is this the end of the line?

I hurt with you, I loved with you  
The world just seems to get in our way  
(Is this the end of the line?)

Oh, please, don't leave me  
(Don't let your heart let go)  
We'll find a way  
The journey has only begun  
Is this the end of the line?

Oh yeah, oh  
(Is this the end of the line?)  
If you leave, I'll follow  
(Don't let your heart let go)  
We'll find a way  
The journey has only begun  
Is this the end of the line?  
Is this the end of the line?
