Show me your inside  
It makes me feel like I'm in control  
And I, I feel high  
Don't think I'm worthless cause I can read  
Your mind and your thoughts  
My head is swelling just let me be

Just lay back she says  
You'll only feel a litle pressure

Feel me I'm inside  
I can feel your breath on my neck

And use this, don't be shy  
Find the lust inside you, take me

Just lay back she says  
You'll only feel a little pressure

I'll hold tight  
To the lasting expectation that we've made  
Eyes won't lie  
Just because you're beautiful doesn't mean I'll wait
