It's speeding up around me  
But my heart is slowing down until it stops  
This train is off the rails  
The devil's in the details  
No one notices

There's bonfires in my head  
There's criminals in my chairs  
No one notices

I'm desperate and lonely  
The hospital is empty  
No one notices

It's not enough to say 'I'm sorry'  
For all the pain and the worry  
What are you waiting for?  
Give up on me and leave

It's not enough to say 'I'm sorry'  
For all the pain and the worry  
What are you waiting for?  
Give up on me and leave

So I saw the house is empty  
The people gathered round and spat at me  
You're the family we hated  
Not the only one who waited for the end

There's bonfires in my head  
There's criminals in my chairs  
No one notices

And I'll lead them off the edge  
I'll drown them in the dead sea  
Now they're noticing

It's not enough to say 'I'm sorry'  
For all the pain and the worry  
What are you waiting for?  
Give up on me and leave

It's not enough to say 'I'm sorry'  
For all the pain and the worry  
What are you waiting for?  
Give up on me and leave

It's not enough to say 'I'm sorry'

It's not enough to say 'I'm sorry'  
For all the pain and all of the worry  
What are you waiting for?  
Give up on me and leave
