I know you're afraid I'll lose Jesus
And I'll choose all the wrong kind of friends
But I've gotta find my own reasons for living
But I can't believe it in the end

If I crawl on my knees through the heartache
Of the mess that I've made all alone
Don't come around here to rescue me too soon
I need to get through on my own

Let me fall just one time
'Cause I'm trying to learn how to fly
Let me make my own mistakes
'Cause it's hope that I'm hoping to find
Let me try
Let me try
Let me try

If I lay in the arms of a stranger
And I dance too close to the ledge
Don't be afraid it's because I don't love you
I just need to see life at the edge

Let me fall just one time
'Cause I'm trying to learn how to fly
Let me cry once or twice
'Cause freedom it comes at a price
Let me try
Let me try
Let me try (try)

You gave me beautiful wings
That are strong just believe now that I can fly
All of the love that you gave me
I'll carry it with me
And keep it alive
Keep it live

Ooh let me fall
Just one time
'Cause I'm trying to learn how to fly

Let me make my own mistakes
'Cause it's hope that I'm hoping, I'm hoping to find
Let me try
Oh, try (try)
Oh, try (let me try)
Oh, try (let me try)
(try)
Ooohh (let me try)
Ooohh (try)
Ooh (let me try)
Ooohh (try)
(let me try)
(try)
(let me try)
(try)
(let me try)
(try)
(let me try)
(try)
(let me try)
(try)
(let me try)
