You and me are failure and surrender
All my fears about losing you mean nothing to noone
Someday I hope I tell you how much I love you
I know in my heart and my bones and my soul
I lost you!
Walking out with tears in my eyes
Seeing flowers on the road side
You die, we all die ...
You will sometime
I sold myself out to buy myself back
I know it ain't right, but it's a start
I tried!

I sold myself out to buy myself back
I know it ain't right, but it's a start
I tried!

Look in my eyes and I

I've got no more will to fight
Sing with me
Somebody!
Anyone!
Everyone!

Look in my eyes and I
I've got no more will to fight
Sing with me
Somebody!
Anyone!
Everyone!
