I don't wanna put on my make up  
Just like every girl in a magazine  
That's not who I am when I wake up  
That's not who I wanna be

There's so much more to me than  
Meets the eye  
In this life  
I know one thing

It doesn't really matter what you wear  
Let the people stare  
'Cause we are who we are who we are who we are  
It doesn't really matter what car you drive  
It's good to be alive  
Yeah we are who we are who we are who we are  
Who we are

Tell me baby do I look like the real thing  
Or would you change the color of my eyes  
Tell me why my television's filling me with lies

It doesn't really matter what you wear  
Let the people stare  
'Cause we are who we are who we are who we are  
It doesn't really matter what car you drive  
It's good to be alive  
Yeah we are who we are who we are who we are

There is beauty on the inside  
Yeah you're beautiful  
All right!

Though it doesn't really matter what you wear  
Let the people stare  
'Cause we are who we are who we are who we are  
It doesn't really matter what car you drive  
It's good to be alive  
Yeah we are who we are who we are who we are

It doesn't really matter what you wear

Let the people stare (it's good to be alive good to be  
alive)

Doesn't really matter what car you drive

It's good to be alive (who we are)

Yeah we are who we are who we are who we are

Who we are (it's good to be alive good to be alive)

When we are who we are
