You're wrong, you're wrong
Everyone may need something to save themselves
A song, a song
Could be the only thing that's left to save ourselves

A song of love from my own heart
It doesn't mean anything
Unless I sing it about you
Unless I sing it just for you
There's something more important
To sing a song for

You're wrong, you're wrong
Everyone may need something to save themselves
A song, a song
Could be the only thing that's left to save ourselves

I won't sing it about you
I won't sing it just for you
I won't sing it about you
I won't sing it just for you

You're wrong, you're wrong
Everyone may need something to save themselves
A song, a song
Could be the only thing that's left to save ourselves

You're wrong, you're wrong
Everyone may need something to save themselves
A song, a song
Could be the only thing that's left to save ourselves

(Instrumental)

You're wrong, you're wrong
Everyone may need something to save themselves
A song, a song
Could be the only thing that's left to save ourselves

You're wrong, you're wrong
Everyone may need something to save themselves

A song, a song
Could be the only thing that's left to save ourselves
