(Neil Young)

Been burned and with both feet on the ground  
I've learned that it's painful comin' down  
No use runnin' away, and there's no time left to stay  
Now I'm finding out that it's so confusin'  
No time left and I know I'm losin'  
Flashed and I think I'm fallin' down  
Crashed, and my ears can't hear a sound  
No use runnin' away, and there's no time left to stay  
Now I'm finding out that it's so confusin'  
No time left and I know I'm losin'  
Now I'm finding out that it's so confusin'  
No time left and I know I'm losin'  
Burned and with both feet on the ground  
I've learned that it's painful comin' down  
No use runnin' away, and there's no time left to stay  
Now I'm finding out that it's so confusin'  
No time left and I know I'm losin'

SONG: Do I have to come right out and say it

(Neil Young)

Do I have to come right out and say it  
Tell you that you look so fine?  
Do I have to come right out and ask you to be mine?  
If it was a game I could play it  
Trying to make it but I'm losing time  
I got to bring you in, you're overworking my mind

Chorus:

Indecision is crowding me  
I have no room to spare  
And I can't believe she cared  
Like a dream she has taken me  
And now I don't know where  
And a part of me is scared  
The part of me I shared  
Once before  
Do I have to come right out and say it  
Tell you that you look so fine?  
Do I have to come right out and ask you to be mine?  
Chorus  
Do I have to come right out and say it, girl  
Tell you that you look so fine?

Do I have to come right out and ask you to be mine?  
If it was a game I could play it  
Trying to make it but I'm losing time  
I got to bring you in, you're overworking my mind  
Do I have to come right out and say it, girl  
Tell you that you look so fine?
