Look what's happening to me,  
I'm going blind, please help.  
There I sat until three,  
Gettin' further behind myself.  
Bymyself.

And I'm hung upside down. (x2)  
Hung upside down, said I'm  
Hung upside down, c'mon, c'mon.  
Hung upside down.

Someday I will be free,  
And there'll be times, you just wait.  
I will come to you, see,  
What I'll bring you when I get straight,  
Oh it's too late.

And I'm hung upside down. (x2)  
Hung upside down, said I'm  
Hung upside down, c'mon, c'mon.  
Hung upside down.
