Moving, drifting  
Dangling, lirting  
These visions of a mystery girl  
She's coming out of cloud nine yeah  
Laughing, going  
Nude yeah yeah  
Disintegrating parachutist woman

Woman, climbing  
Drifting, wild one  
These visions of a mystery girl  
And she's coming out of cloud nine yeah  
Oh I can see her  
Nude yeah yeah  
Disintegrating parachutist woman

I got a feeling, I got a feeling inside  
I got a feeling that I can't hide  
I got a feeling, I got a feeling inside  
I got a feeling that I can't hide

Moving, drifting  
Dangling, lirting  
These visions of a mystery girl  
She's coming out of cloud nine yeah  
Falling seeing  
Nude yeah yeah  
Disintegrating parachutist woman

Nude yeah yeah  
Nude disintegrating parachutist woman
