Why do you fake-bake on the weekends?
Why do you wear designer clothes?
Why do you chop me up so fine
Just to snort me up your nose?
Why do you call up my best friend
And you roll her up so tight?
You only see me at the parties
But you see her every night

Oh, you can't live this way any longer
No, I won't let it be

Stop, stop, stop, and open up your eyes
Wait, wait, wait...she's catching up with you
Can you hear me when I call your name?
Are you distracted
By Mary Jane?
Oh, Mary Jane

Why do you paint your nails on Mondays
Then wear your fishnet pantyhose?
Why do you dress yourself so pretty
Just to take off all your clothes?

Oh, you can't live this way any longer
No, I won't let it be

Stop, stop, stop, and open up your eyes
Wait, wait, wait...she's catching up with you
Can you hear me when I call your name?
Are you distracted
By Mary Jane?
Oh, Mary Jane

Mary Jane is calling your name
She yells so soft and pretty
Mary Jane can take the blame
For all your insecurities
All your insecurities

Stop, stop, stop, and open up your eyes

Wait, wait, wait...she's catching up with you
Can you hear me when I call your name?
Are you distracted?

Stop, stop, stop, and open up your eyes
Wait, wait, wait...she's catching up with you
Can you hear me when I call your name?
Are you distracted
By Mary Jane?
Oh, Mary Jane

Distracted by Mary Jane
Are you done with Mary Jane
I miss you
Mary Jane
