I walk for what seems like forever  
I get nowhere  
But I still try  
I find not even the first clue  
To get me close to you  
But babe, I'm tryin'

I'm so lonely  
Trying to get some company  
Why can't you see  
There's something good inside of me?  
And I try  
And I try  
And I try  
I'm still tryin'

You've been running away from me  
So far out I can't see  
See you tryin'  
You say so soft and slowly that you're happy  
I guess you're tryin'

I'm so lonely  
Trying to get some company  
Why can't you see  
There's something good inside of me?  
And I try  
And I try  
And I try  
I'm still..

...tryin' to hold on to everything we've ever had  
And I'm dying inside to be with you  
Every chance I get  
Yeah...yeah..  
Ooh...ooh..oh

I'm so lonely  
Trying to get some company  
Why can't you see  
There's something good inside of me?

And I try  
And I try  
And I try  
I'm still..

We've been trying to make it through  
Just me and you  
Yeah, we're tryin'  
Finally, you said you're through with me  
I'm finding it hard to see  
'Cause babe, I'm cryin'
