I don't wanna put on my make up
Just like every girl in a magazine
That's not who I am when I wake up
That's not who I wanna be

There's so much more to me than
Meets the eye in this life
I know one thing

It doesn't really matter what you wear
Let the people stare
'Cause we are who we are
Who we are, who we are

It doesn't really matter what car you drive
It's good to be alive
Yeah, we are who we are
Who we are, who we are, who we are

Tell me, baby, do I look like the real thing
Or would you change the color of my eyes
Tell me why my television's filling me with lies

It doesn't really matter what you wear
Let the people stare
'Cause we are who we are
Who we are, who we are

It doesn't really matter what car you drive
It's good to be alive
Yeah, we are who we are
Who we are, who we are

There is beauty on the inside
Yeah, you're beautiful, alright

Though it doesn't really matter what you wear
Let the people stare
'Cause we are who we are
Who we are, who we are

It doesn't really matter what car you drive

It's good to be alive
Yeah, we are who we are
Who we are, who we are

It doesn't really matter what you wear
Let the people stare
It's good to be alive, good to be alive

Doesn't really matter what car you drive
It's good to be alive
(Who we are)
Yeah, we are who we are
Who we are, who we are
(Who we are)

It's good to be alive, good to be alive
When we are who we are
