Got me going on again
Around my smile
And I've got a thoughtless feeling inside

I've got it going, I've got it going
I've got it going, I've got it going on

Got you going on again
Around my smile
And I've got a thoughtless feeling inside

Why don't you take a friend in the shade?
Somewhere all the minutes stay around

I've got it going, I've got it going
I've got it going, I've got it going on

Got you going on again
Around my smile
And I've got a thoughtless feeling inside

I've got it going, I've got it going
I've got it going, I've got it going
I've got it going, I've got it going
I've got it going, I've got it going

I've got it going, I've got it going
I've got it going, I've got it going
I've got it going, I've got it going
