

Hopes Die Last "Consider Me Alive"

Can see your perfect world,
Trying to keep it alive.
I don't know if I've been there before,
But of that place I've dreamt for sure.

I can see you
And your white window,
Your hands heading too.
I'll keep save, no promises.

I can't let go,
I can't let go.

And I want to be that for sure,
You'll never see me falling down.
And I can't live in the moment,
I can feel it.

I gave my life away,
So yours will be the best one.
I know why I've been there before,
Cause I'm not alone anymore.

I can't let go,
I can't let go.

And I want to be that for sure,
You'll never see me falling down.
And I can't live in the moment,
I can feel it.

Consider me alive,
Consider me alive,
Consider me alive,
Consider me alive,
Consider me alive,
Consider.
