I tried to do my best
but nothing seems to be alive
cause every time I speak
I see your walls falling

and now
when I come around you all are
on your knees
So, what can you say?
did I fail?

You know that
I try to do the best I can
but you don't care
and I swear
I swear I'll never be like you
and that's the truth
cause I can see
that you are playing
hide and seek
with all my dreams

Never met no one that
hates me like you do
but hey, I can understand it

cause everytime I speak
I see your walls falling
but now I dare
so show me how
to play this game

you know that
I'm trying to be myself again
but you don't care

and I swear
I swear i'll never be like you
and that's the truth
cause I can see
you are playing hide and seek
with all my dreams

I'll wake up
I'll wake up
I'll wake up
so try to hit me now
try to steal myself again
I try to do the best I can

You know that
I try to do the best I can
You know that
I'm trying to be myself again
but you don't care
and I swear
I swear I'll never be like you
and that's the truth
cause I can see
you are playing hide and seek
with all my dreams

and I swear
I swear I'll never be like you
and that's the truth
cause I can see
you are playing hide and seek
with all my dreams
