"Breathe From Coma"

Take and give a look like the sum of
Loving grace and survival
Beyond the absolute resolve
Or portrait perfect mortal souls

Daughters starve their waist lines
Building a reputation
Beyond disguise and painting black
Lucid dreams with open legs

Notice me, I see you breaking stride
You dance diversions and prototypes

You pull so close to mercy
Excessive touch and steady
Looks to charm be chased until
You mastermind your own demise

Notice me, I see you breaking stride
You dance diversions and prototypes

Tear away the sheets
You breathe from coma
Open to the curse we live to sever

And portray a life to close
The portals to the ones
Bent on betrayal

The universe is shaping
Ample space depleting
Caught low in distress
On impulse to control
Well, the universe is shaping

Take and give a look like the sum of
Loving grace and survival
Beyond the absolute resolve
Or portrait perfect mortal souls

Notice me, I see you breaking stride
You dance diversions and prototypes

Tear away the sheets
You breathe from coma
Open to the curse we live to sever

Tear away the sheets
You breathe from coma
Open to the curse we live to sever

And portray a life to close
The portals to the ones
Bent on betrayal

Tear away the sheets
You breathe from coma
Open to the curse we live to sever

And portray a life to close
The portals to the ones
Bent on betrayal
